IMPORTANT INFORMATION

WHAT YOU ARE PURCHASING:
You are purchasing printable classroom décor. You will receive a digital file containing printable classroom décor that you will need to print off on your own computer OR you can have a professional printing company make the prints. After you have your prints, you will need to cut (and in some cases) assemble the product.

Schoolgirl Style DOES NOT PRINT, assemble and ship classroom sets. All classroom décor sets are sent DIGITALLY in pdf, jpg, or Power Point form to your email inbox.

Your purchase indicates that you have read and agreed with this shop listing and shop policies listed below:

WHAT ARE PRINTABLES?
A printable is a digital file of a graphic design created by Schoolgirl Style. It is meant to be printed on paper. Every printable is formatted to print on 8.5 x 11 inch standard sized sheet of paper. High gloss photo paper is recommended for printing.

WHY ARE PRINTABLES A BETTER OPTION?
- Printables are cost efficient and can be used over and over for one small price.
- Printables can be customized any way you would like for a much neater and cleaner appearance – no more handwriting!
- Create a more cohesive and coordinated look in your classroom by purchasing an entire themed décor package.

WHY SCHOOLGIRL STYLE PRINTABLES?
Schoolgirl Style takes pride in creating unique and quality products for the classroom. With experienced design skills, each collection takes a great deal of time to create. In addition, each item in the collection is printed out and tested to ensure that every product enhances the overall design. Designs are tweaked, corrected, and made to perfection in the staging process before it is ever listed in the Schoolgirl Style Shop. Satisfaction is guaranteed.

CAN I EDIT THE PRINTABLES ONCE I PURCHASE THEM?
Yes! Schoolgirl Style printables are created with the option to add text. Please go to the Schoolgirl Style blog for directions. www.schoolgirlstyle.com

DO YOU EVER PRINT/ASSEMBLE THE ORDERS AND MAIL THEM OUT?
No. You can download the electronic file instantly and start creating!

WHAT IS THE BEST TYPE OF PAPER TO USE?
For best results and vibrant printables, use a high gloss photo paper. I like to use high gloss photo paper from Staples. Card stock can often make your printables appear “muddy.” If you do use a card stock, Astrobrights carries a high quality, bright white card stock that has worked well for me, however, my preferred method is photo paper.
WHAT ARE MY PRINTING OPTIONS?
You can either use your own ink-jet printer or print out at a local print shop (Staples, Office Depot, Office Max, Kinkos, etc.)

SHOULD I PRINT MYSELF OR SEND THEM TO A PRINT SHOP?
You can do either. I would try your personal printer first and if you are not getting a quality image, I may consider taking it to a commercial print shop.

CAN YOU PRINT MORE THAN ONE TIME?
Yes! If you save your pdf file, you can print as many times as you would like!

DO I NEED TO BUY ANY SOFTWARE?
No. ADOBE ACROBAT READER is the only PDF file viewer that can open and interact with all PDF documents.

You will need ADOBE reader to open a PDF...FREE DOWNLOAD HERE: http://get.adobe.com/reader/

MATERIALS YOU WILL NEED:
- Printer
- Photo paper (I prefer "high gloss")
- Scissors
- Ribbon or twine for banners

IMPORTANT INFORMATION:
- All files are in ENGLISH and cannot be typeset in another language, unless the item is indicated as "editable." All editable items have the capability to be customized any way you would like. Customization will be done by the purchaser.

- No color changes can be made. You may print as many designs as you need for your own personal use.

- When ordering, please be sure to use a personal email account, as some workplaces have network security restrictions blocking download links. The files from Schoolgirl Style work best when opened using a computer. Phones and Tablet devices are not typically capable of downloading large files.

- If for some reason you do not see your order, please check your SPAM, TRASH and ALL MAIL folders. If you do not see your order in these folders, then please email me directly at schoolgirlstyle@gmail.com and we will send you your file.

- Print files at home onto high gloss photo paper OR you can print at a commercial printing facility such as Office Max, Staples, or Office Depot.

- Printed colors may vary from one computer monitor to another, one printer to another and even with different types or brands of paper and ink and with the choice of printer settings. Schoolgirl Style is not responsible for the resulting color variations. Because there are a vast number of variables involved in printing, there will be no refunds and no design revisions of colors if you do not like the colors when printed. PLEASE BE SURE to request a proof of colors for you to print before ordering if color matches are extremely important to you.
• All classroom sets will be sent in a PDF format and will not be able to be sent in individual jpg files or any other file formats which would require much more time for each order and many, many emails. Pdfs are the best way to send out large sets of graphic files and customers have been very happy with the format. The PRICE IN THE SHOP IS BASED ON SENDING PDF FORMATTED FILES and does not include sending the files in individual pages in a jpg format.

• Schoolgirl Style is not available for custom work.

THE FINE PRINT:
Schoolgirl Style Printable Classroom Décor is for personal use only.

Clip Art images, background paper, or any other design from Schoolgirl Style cannot be used to create products to sell on Teachers Pay Teachers or any other online shop.

You may not share or forward these files to anyone else or use them commercially or for profit.

You may not use my photos in any form unless you get permission from Melanie @ Schoolgirl Style.

REFUNDS AND EXCHANGES:
Due to the nature of digital files, no refunds will be issued after an item is purchased. Product exchanges will be taken into consideration depending on the issue. To try out colors or printing capabilities, test pages can be sent to you by request.

If you have any concerns or issues with your order, please email me directly at schoolgirlstyle@gmail.com

ADDITIONAL POLICIES:
My business hours vary. I am a teacher during the day and a mom in the evening, so my hours are highly irregular. Don't be surprised if you hear from me after 8 p.m. and sometimes much later! I love what I do and I especially love my customers, and I work hard to make sure that everyone is satisfied with my products, timing and service!

WEEKENDS ARE FOR FAMILY – Thanks for understanding!
